### Job Specifications

To perform this job successfully, an individual must be able to perform each essential duty satisfactorily. The requirements listed below are representative of the knowledge, skill and/or ability required. Reasonable accommodation may be made to enable individuals with disabilities, who are otherwise qualified, to perform the essential functions.

### **Minimum Qualifications (Knowledge, Skills and/or Abilities Required)**

- Must possess a High School diploma and 5 to 7 years of experience in public address/intercom, master clocks (Dukane and Lathenm preferred), specialty sound, and scoreboard systems.
- Must possess significant knowledge of the operation, repair, and the principles and practices used in the configuration, installation, testing, and maintenance of public address/intercom, master clocks, specialty sound, and scoreboard systems.
- Must possess strong troubleshooting skills and the ability to diagnose/resolve public address/intercom, master clocks, specialty sound, and scoreboard system problems.
- Must possess strong skills in the use of the instruments and tools of the trade.
- Must possess the ability to interpret and apply specialized technical manuals and reference materials.
- Must possess an understanding of TIA/EIA Structured Cabling Standards.
- Must possess the ability to prioritize tasks in order of importance; work independently and as a team member; and establish and maintain effective working relationships with co-workers and end-users.
- Must possess a valid driver's license with a good driving record.

### **Working Conditions and Physical Requirements**

The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job. Reasonable accommodation may be made to enable individuals with disabilities to perform essential functions.

When performing the duties of this job, the employee is frequently required to sit; use hand to finger; handle or feel; speak, hear and understand speech at normal levels. The employee is frequently required to stand; walk; reach with hands and arms; climb or balance; stoop; kneel; crouch; or crawl. The employee must frequently lift and/or move and push/pull up to 26 pounds. The employee must occasionally lift and/or move and/or balance while standing or climbing up to 60 pounds. Specific vision abilities required by this job include close vision, distance vision, color vision and depth perception.

### **Work Environment**

The work environment characteristics described here are representative of those an employee encounters while performing the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions. Duties are normally performed in an office environment, centralized computer rooms, on-site locations and outside in the open environment. While performing the duties of this job, the employee is occasionally exposed to various lighting conditions; moving mechanical parts; high precarious places; toxic or caustic chemicals; and risk of electrical shock. The noise level is usually moderate and occasionally loud when performing duties in centralized computer rooms.

**Supervision Exercised:** None

**Supervision Received:** Supervisor I, Technology Infrastructure Network

*This job description in no way states or implies that these are the only duties to be performed by this employee. The Audio-Visual Technician II will be required to follow any other instructions and to perform any other related duties as assigned by the Supervisor I, Technology Infrastructure Network, or appropriate supervisor. Newport News Public Schools reserves the right to update, revise or change this job description and related duties at any time.*
